

Dear Max Mustermann,

Summer is coming and we are looking forward to warmer days! So this year we have planned a small summer party at our office premises in Berlin and of course you are invited. We are also looking forward to new products arriving from Burkina Faso, hopefully in time to display them at our summer party. Maybe you will find something there for you.

We had some good news recently too. The AMPO Voice song "[Dépose ton arme](#)" (Lay down your guns) was chosen to participate in the "[Your song for ONE WORLD!](#)" song contest. We are hoping it will make the top five and maybe even win. That would be a huge encouragement for the children. Success depends on one round of votes, so your vote is important. We will let you know on time when the voting starts.

As you can see, there is always something going on at AMPO. On this sunny day we hope you have a quiet moment to read our newsletter.

Your AMPO International Team

Katrin Rohde's 75th birthday

Katrin Rohde, the founder of AMPO, celebrated yesterday her 75th birthday. Congratulations have been pouring in at the office and we are pleased to say that our fundraiser “Donations, not flowers” has met with such success. Our thanks go to all those who donated. It is still not too late if you wish to send your congratulations or donations. Katrin would be very pleased. You can send a message to the office in Berlin and we will forward it to Katrin in Ouagadougou. She celebrated her special day together with the AMPO children.

Teabag stars for AMPO

We never cease to be amazed at the efforts our members put in. This time we'd like to put the spotlight on our AMPO supporter, Fabiola Richter, who came up with the brilliant idea of making Christmas star decorations from teabag packaging. The stars will be on sale at our office or at flea-markets over the Christmas period and the profits go to AMPO.

Fabiola collects the bags at home and she is supported by friends who contribute their bags too. Pictured below are some examples of these artistic creations. Last year we decorated our office Christmas tree with similar stars and it looked beautiful. If you would like to support Fabiola, you can collect bags at home and send them to us in Berlin. Thanks for all the effort, Fabiola.

From the AMPO Wheelchair Workshop to shop windows in Berlin

[Optik Studio Bilden](#) in Berlin-Schmargendorf is using the table and chair creations from the AMPO Wheelchair Workshop to decorate their shop windows.

A couple of these unique pieces can be seen at our office, but most of them are at the Optik Studio. You can also buy them there! Of course it is publicity for AMPO at the same time helping to spread awareness for AMPO in Berlin. It is a very creative way to show these functional pieces of furniture at their best.

New products arriving soon in our shop

A new consignment of products from Burkina Faso will arrive at our office in the next few days. We are expecting shell baskets, Tuareg boxes, table covers, decorations, lemongrass tea, moringa powder and lots more. We will let you know when the goods arrive.

We are looking forward to receiving the products we saw at the Village Artisanal in Ouagadougou during our trip in January, as well as the goods we ordered direct from the AMPO workshops.

Why not look in and discover something new? The shop is open Monday to Friday from 9 to 5, but of course you also have the opportunity to shop at our summer party on 7th July.

Looking forward to seeing you!

We need your support
